Early Saver cruise fare is only available for short cruises (5 days or less), for short cruises (8 days or longer), 5 months prior to sail date, and available for long cruises (8 days or longer), 5 months prior to sail date. Early Saver fare is backed by a unique price protection policy that allows you to adjust your cruise fare to the best available fare advertised by Carnival and available to the general public. Carnival will honor your request for price protection if the reduction on the total amount paid for your booking results only from a lower cruise fare and not from the booked ancillary services, such as air transfers, pre-paid gratuities, or government taxes and fees. Early Saver price protection does not apply to Super Saver and Instant Saver fares, group rates, membership programs, charters, select promotional fares, travel agent releases, or other travel agent promotions not offered by Carnival to the general public.
