# WHY A CARNIVAL WEDDING?

**You thought your proposal was special; we have many reasons why you should select a Carnival Wedding.** We're here to help you say "I-do" in fun, first-class style. We can offer the perfect options for your perfect day.

**Your engagement should be a time of enjoyment; you just found your soul-mate! Let our team of Wedding Coordinators do what they do best.** We'll guide you in selecting the wedding package that best works with your dreams and budget. We are here to take the stress and anxiety out of the planning, because it's not just your wedding and reception, it's your honeymoon too!

**Why not invite your family and friends to your wedding onboard** one of our fun-ships and invite them to celebrate and sail away with you? Maybe not everyone can get away; we have another idea, invite them anyway! They can still be a part of your special day; view your wedding and celebrate with a reception of your choice, and while you get ready to set sail, they'll be wishing they had booked too. We offer packages that can accommodate both sailing and non-sailing guests.

**Looking for a wedding that's more exotic?** How about an island wedding? We offer a number of wedding venues on the beach, island resort or garden. Picture the setting, a scenic, tropical island, blue skies, turquoise oceans and sea-scented breezes and the two of you exchanging your vows. Ahhh, what an amazing view!

Whichever you choose, shipboard or island weddings, know your destination wedding will capture your dreams. We want to make certain your special day is fun and stress-free!

Your wedding cake will be baked fresh the day of your wedding.

# YOUR CEREMONY

**It's time to walk down the aisle.** We'll provide an ideal private ceremony location, from aisle runner to silk flower arrangements.

## YOUR BOUQUET & FLOWERS

**Selecting your bridal bouquet is almost as important a decision as your dress.** All packages include one bridal bouquet with matching boutonniere for the groom. We created a standard bouquet hand-tied of 8 fresh white roses in our U.S. embarkation ports. In some ports the standard bouquet will be fresh tropical seasonal stems or silk; in most ports we'll be able to provide a customized ribbon color. For more details, your Wedding Planner can give you more information and ideas. Our Wedding Vendors can also offer additional flower options or bouquets as an upgrade. If you would like to bring your own flowers, these must be silk due to U. S. Agricultural restrictions. Fresh flowers cannot be taken off of the ship.

ceremony

**LET'S TALK MORE ABOUT YOUR WEDDING CEREMONY**, after all, you have been imagining this day for some time. Carnival Weddings provides legally binding wedding services in accordance with the laws that govern the port in which the vows are being exchanged. We'll talk more about your legal wedding under licensing requirements. Civil ceremonies are performed in English by a Notary Public. Ceremonies in the ports of St. Thomas, Galveston, New Orleans, California, Barbados, Nassau, Half Moon Cay, Freeport, Grand Turk, Jamaica and Grand Cayman are non-denominational and performed by a Minister. Weddings in Cozumel are performed by a Judge, in Spanish and translated to English. Our shipboard weddings will include an aisle runner, and silk floral arrangements in a private lounge. Island Breeze wedding set-ups may vary depending on location; couples are encouraged to enhance their ceremony venues with upgrade options.

All ceremonies are performed in port before the ship sails. Carnival has chosen several ideal locations onboard at which to have your wedding ceremony and reception. Locations are determined based on the number of guests attending, length of reception and entertainment requests. Ceremony times and locations are confirmed with you within two weeks of sailing. We try our best to stick to a strict schedule, however delays or changes due to unforeseen events can happen. For weddings scheduled during the cruise, it is not recommended that you and your guests plan shore excursions on the same day as your wedding.

Wedding packages can be booked with a major credit card by phone; full payment for the wedding package is due at the time of booking. Some other things to consider...your **PRE-CRUISE TRAVEL ARRANGEMENTS**. We strongly recommend our wedding couples and their guests arrive at least one day prior to sailing to avoid late flights, traffic, etc., on their wedding day. Arriving to the homeport city the day prior is not a requirement for the wedding program, only a suggestion, however, we want this day to be stress free for you and work diligently to provide early boarding to our wedding couples and their guests.

You will want to work with your travel agent, Carnival's Reservations or Group Reservations Departments to coordinate your pre-cruise travel packages. For a nominal fee, Carnival's Air Sea Deviation Department will coordinate your customized flight times; your travel agent must make arrangements with Carnival's Air Sea Deviation Department, no later than 45 days prior to your cruise. Please note, transportation transfers that Carnival offers to the port will not get you there on time for your wedding. These transfers are for regular boarding. Please make alternate arrangements for prompt transportation to the pier.

You're our VIPs, we want to ensure you receive **PRIORITY CHECK-IN**. Priority boarding is provided for couples getting married the day of embarkation, once the ship is cleared by U.S. Customs. Please pay special attention to your boarding information to ensure you are at the pier on time for priority boarding. Please be prompt. You and your guests, sailing and non-sailing must arrive together to board together with priority boarding. Couples who have selected a wedding package later in the cruise will follow general boarding procedures.

Proper travel documentation is required at embarkation and throughout the cruise. Even though a guest has completed registration using online check-in, it is still the responsibility of the guest to bring all required travel documents. Please refer to [carnival.com](http://carnival.com), cruise preparation topic under FAQs - what is the required travel documentation for all ports?

Your **WEDDING GUESTS** are important to us too! Please ensure they arrive with you promptly, with proper photo identification. We'll need your final guest list along with payment on any additional guests no later than 30 business days prior to the cruise. No refunds will be provided for guests that are no shows. Guests wishing to cancel the week of sailing will be considered "no shows" and no refunds will be provided. An additional service fee (see pages 11-12 for applicable fee) will apply for every 50 guests attending the wedding, whether they are children or adults, including the bride & groom. Payment for all additional guests must be made 30 business days prior to sailing. An additional

\$25.00 processing fee will apply for all changes made to the final guest list within 30 business days prior to the sail date. No changes or additions can be made, within 10 business days prior to the sailing date. Guest's cancellation within the week of sailing will be considered no-show and are non-refundable.

For The Soon-To-Be Mr. And Mrs. a note on **LICENSING REQUIREMENTS**. While we can give assistance or licensing information, all couples are responsible for obtaining their own marriage license. You must obtain a license from the state or island where the wedding will be performed. With most wedding packages, licensing fees are separate from the wedding package price and are non-refundable. While most jurisdictions recognize marriages formalized in foreign jurisdictions, not all do. You are responsible for determining whether a wedding performed in a foreign jurisdiction will be recognized in your home jurisdiction. Our Wedding Planners will include further information explaining how to obtain your marriage license and any applicable fees at the time of booking your wedding package.

**CANCELLATION POLICY** - We understand, sometimes things come up. Written cancellation must be received in our office by the date specified below by the bride and groom if you wish to cancel your wedding. Weddings must be cancelled separately from your cruise. Our Cancellation Policy is as follows: Full refund if cancelled 76 days prior to sailing, \$150.00 cancellation charge 75 to 46 days prior to sailing, 50% of total wedding charges 45 to 8 days prior to sailing. Unfortunately, no refund is applicable if canceled within 7 days of sailing. Certain locations will require the payment of a non-refundable deposit that will not be subject to this refund policy.

**CHANGE IN ITINERARY, CANCELLATION OR DELAY BY CARNIVAL**- Carnival has the right without previous notice to cancel, reschedule or delay performance of the wedding agreement at the port of embarkation or any time during the cruise for any reason whatsoever, including but not limited to (i) charter of the vessel, (ii) the ship's Master exercising his discretion, for any purpose, to deviate in any direction or for any purpose from the direct or usual course, and to omit or change any or all ports of call; arrival or departure times, with or without notice for any reason whatsoever, all such deviations being considered as forming part of an included in the proposed voyage, or (iii) any reason beyond Carnival's reasonable control; without prior notice, and shall not be held liable for damages, compensation and any inconveniences caused to our guests by reason of such cancellation or rescheduling.

**ALL PACKAGE TERMS AND PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE.**

We tried to include as much information as we could to share with you how special we can make your wedding day. Some information included here is general; detailed information such as contracts/agreements, procedures, amenities, requirements and pier directions will be mailed to you after you have booked your Carnival wedding package. Our goal is to make your wedding day stress-free, fun and a memorable experience.

**CONGRATULATIONS! YOU'RE GETTING MARRIED!**
